

Ouachita Challenge! March 30-31, 2019

Volunteers Needed

The 2019 Ouachita Challenge will be held on March 30th and 31st this year. This tour (Saturday) and race (Sunday) will feature 250 riders from many states each day. As usual, the event will start and finish at the Oden School. An event of this magnitude requires a lot of volunteers to make it work smoothly. We will need over 60 volunteers out on the course each of the two days. Please consider volunteering if you can. It will involve several hours of work each day and will have a great view of the racers. You

may volunteer to be a course marshal or aid station worker by e-mailing Robert Cavanaugh at stonecoldrc@yahoo.com. If you need to call Robert his number is 870-490-1511. If you can work both days that would be great, but if you can only work one day we can certainly use us as well. Please give me your t-shirt size when signing up.

In addition to a t-shirt, you are welcome to eat breakfast at the Oden School each morning before the tour or race and attend the dinner on Saturday night. Yep, that is not much pay for helping with this event, but the next paragraph gives some more reasons to help out.

This event provides funding to the Oden School and to other local non-profit organizations. The Friends of the Ouachita Trail will receive a considerable amount of funding as a result of providing volunteers for the course and the aid stations. These funds will go to maintain and upgrade the Ouachita Trail and the Womble Trail.

I look forward to working with you. I will send out the volunteer assignments about two weeks before the Ouachita Challenge weekend. Thank you.

Robert Cavanaugh
